Urtica *U. dioica* - *Urtica* & *Urtica*.

Erythronium *obscure*

" *C. lanatum*

Diopisus *sp. nov.* Single plant found

Polytrichum *acrostichoides*. Several colonies.

Collinsonia canadensis. Dried plants.

Juliflor *Juniper* *Juniper* Dried plants.

Winter buds *Viburnum acerifolium* *Compositae*.

No sign of bird or animal.

DEC 25

Agrostis *Lymanii* B.V.V.

Jan 2. 1921

W. Hempstead

18

Beautiful day, Temp. 53°

2 Vioxy-bear Caterpillars in Garden
Dandelions in flower.

But. 1, mosquito in living-room

Jan 5. Large beetle hard shell 1 mol.
Long black - Elliptical on road from
Garden City. Thunderstorm to day.

Jan 9 A.M. walked around Hempstead Red

Red & Purple Chokeberris. Haze catkins
white buds Choke Neopentis, Yucca

Galun Xolisma. Eubolus, Some of last-
week Green leaves still persisting.

Parasitism Canadiana. P. of two.

Scorpa affinis. Subichium, All weekend
Junco Canadiana only, rust, but very
abundant except 1 plant of J. Effraim

Black & white woodpecker

Jan 16. 1921 A.M. Meadowbrook.

19

Walk by Front St. Returning by Fulton St.
Beautiful Clear Still morning. Temp 28°

R. Stream Front St.

Lycopodium complanatum

Betula obliquum

" *dissectum*

Bark upright, Succulent; Reddish brown.

Meadowbrook Swamp

Juncus Canadensis

Early Vines on margin of Stream
Gracile - beautiful.

The plants grassy, fine effect -
Andropogon or *Schizanthus* or both.

Dark form of *Sparganium latifolium* 5
torulosa, *Hypochaeris Canadensis*, *Sonchus*
Gentiana Helianthus angustifolius 7
abundant in Swamp.

Lycopodium obscurum or *complanatum*
Horizontal stems thick, light green, Succulent -
Stems upright & prostrate.

Jan 22. 1929 W. Hempstead. 20

A Callis butterfly small white in
the living room. Must have hatched
from some place I brought from
the woods.

Jan 22. Temp 49° Clear day
like April. Fresh leaves of
dandelion, Alsine media & Cerastium
Vulgatum. A. W. Went to
Hempstead Reservoir with Eric

Jan 29. AM Around Pine pond by which
Bostrychum obliquum

P. M. W. Hempstead Swamp.
Solanum elaeagnifolium Vines in
fruit

Feb 6. 1920. Hempstead Reservoir. 31

Beautiful Clear morning. Temp 42°
Walked quite around Hempstead Res.
Frozen over except at E. end.
Keeper told me a man walked across
on the ice this morning. It seems
quite thick. This seems remarkable
considering the winter so far
thankful mild weather but we
had a nice thick guide cold.

Feb 12 P.M.

Walked quite around Hempstead
Reservoir. Beautiful day

Feb 13 A.M. Walked to Shadow
brook & back. Fine morning.

Feb 16 - Temp 51° Clear

" 17 " 54° "

Feb 19, 1921

Alum-Pine Stream 22

Snowy - Warm A.M. Temp 22°

Clear & fine by stream & woods.

Pussy Willow buds breaking, Six prostrata
Kalmia angustifolia one patch 5' & leaves
 leaves larger & more oval than any
 I have yet seen. Glaucous on under side
 leaves. *Canadensis*. This is the only
 Rush I have observed this winter with
 fruit & seeds intact & in every swamp
 I have visited. Do all the others,
 die down & disappear?

Feb 20 Blizzed. Wind & drifting

snow. High wind all day - all
 traffic. Truly, R.C.D.R. - had up
 12 inches snow, more in 20
 years. First snow this winter

Wed. 6. 1924. W. Hempstead.

23

Temp 54°

W. Hempstead Temp 63°
with Specter Hempstead Pa.

Wed. 7. Temp 64°

7 Robins seen by Edith Lane
& by myself in Garden City.

Br. Grass sprouts of grass appearing.

Wed. 12. W. Hempstead. Rain.

Skunk-cabbage in flower - Some leaves
(folded up) 6 to 7 inches long.

Calluna on Alder & white Birch.

Elder buds some open.

Silver maple buds in flower some
open.

Grass now leaves
of spring plants now to be seen on
the ground - Grass in places bright.

Grass for the first time.

Sum this morning - (Rain) Grass.

Blue-birds - Red-wing Black-bird

Water-sparrows, Song-sparrows, and others

Muskrat holes. Elm on the ground.

Me. 13. 1921. W. H. Henshaw.

24

Along west end of Reservoir A.M. with
Edwin - *Andrena* butterflies - Marsh
frogs - Have been heard "peeping"
past few days Temp. over 60° all
day - 63° at 2 P.M.

Me. 15 Garden City Golf Course.

Near Mound A.M. Large woodpecker
(Hairy-woodpecker.)

Me. 18 Hampstead Reservoir

Sugar Maples in flower

Me. 19 Hampstead Reservoir

Proctor & Proctor - near in
shallow water.

Large Emerald-green along-
water to Meadowlark & back

Feb. 20. 1921

25

Clear Temp 72° in shade

Feb. 21 Temp 80° in shade
Sun. maple flowers now yellow
Sun. maple & Elm in full
flower. - One lily bud now
dandelion in flower.

Weeper willow with young leaves
Sun. maple in flower in garden
Mosquitoes in the house this evening!

Feb. 22 Temp 7 A.M. 34° Mosquitoes
in house this evening

Feb. 24 - Windy & clear this morning
Poplar dandelions in flower. Monarda
Biting mosquitoes indoors & out.

McL 26-1921 About Plots date. 26

In flower Ruz. anemone.
Hepatica.

Salix discolor. humilis. villosa?

Papaver grandif. latr.

Cory. americana.

Skunk Cabbage leaves unfolded & un-
faded.

Grass about an inch long of —
Rumex crispus.

" trifolium
Verb. frondosa. Soror. papilionacea.

Grass. Macrauchenia.

Small Grass about 6 inch tall.

Potentilla fruticosa leaves almost mature.

Aster multiflorus 1 or 2 inches long.

Grass 4 to 5 inch long of Abies. hypnoides.

" Elder. Agave + many other plants.

Small Blue butterflies.

Wed 27. 1920 W. H. H. St. S. 27

Temp 64°. Sun. light. Flowers falling.
Spiraea & other plants in flower.
Moss Grass not different from green
Leaves of Ranunculus. One about 1 1/2" across in
diameter. Anemone & Anemone buds
unfurling.

Wed 28. Temp 64° to 78°

Wed 29 " 27° " 26°

Wed 30 " 28°

5500000 annulicaria, 11/11/18

July 1st - A fine day. The sun was out all day.

Children were out in the yard. The dog was out in the yard. The cat was out in the yard. The bird was out in the yard. The fish was out in the yard.

The children were out in the yard. The dog was out in the yard. The cat was out in the yard. The bird was out in the yard. The fish was out in the yard.

July 2nd - A fine day. The sun was out all day.

The children were out in the yard. The dog was out in the yard. The cat was out in the yard. The bird was out in the yard. The fish was out in the yard.

Rain all day! The children were out in the yard. The dog was out in the yard. The cat was out in the yard. The bird was out in the yard. The fish was out in the yard.
